

AMENDMENTS TO THE SPECIFICATION

In the title, please replace the title with the following title:

INJECTION-MOLDED MICROFLUIDIC DEVICES

Page 21, please replace the paragraph beginning with “Channels” with the following paragraph:

Channels with alignment features may also be formed above the top surface of the substrate, i.e., the channel floor is coplanar or above the top surface of the substrate. The alignment features for these raised channels may be the same as those described above, as shown schematically in Figure [[9C]] 8C and Figure [[10B]] 9B.
